Mission Statement

We the people of St. William Parish, accept as our mission: to love God with all our heart and mind, and our neighbor as ourselves. We seek to know our faith, to live our faith, and to authentically teach our faith by word and example. We carry out this mission by lovingly promoting the traditions and teachings of the Roman Catholic Church and through prayer, evangelization, and service to others; while always remembering that the primary mission of the Church is the salvation of souls.

Thanks to all our parishioners who have made their gift to the Annual Catholic Appeal. St. William is 106% towards our goal of \$55,000.

Rosary Repairs

If you have a rosary in need of repair, please place it in the basket on the table in the Narthex. It will be repaired and placed back in the basket for you to pick up in approximately a week.

When should I call for a priest?

If you or a family member are suffering from a serious illness, in the hospital, or near death — then the parish should be contacted (regardless of the day or time). The parish should be contacted as soon as serious illness befalls a sick person or when serious surgery is scheduled (assuming that this is consistent with the wishes of the individual). This is so that the Sacrament of the Anointing of the Sick can be administered, along with the Sacrament of Reconciliation, if possible. Pastoral care for the sick person should be asked for as soon as a person experiences the danger of illness or is chronically ill, particularly if the person is elderly. To receive the Anointing of the Sick, the illness may be physical or mental. The ritual indicates that a person who is ill should be anointed early in the illness, or before one faces serious surgery. The anointing can be repeated if the medical situation worsens or if the sick person experiences a different illness or injury. During the course of the illness, Holy Communion should be offered to the sick person as well.

What if the sick person is unconscious?

The Sacrament of the Anointing of the Sick can be administered to a person who is not conscious. In this case, the Church relies on the desire of the family who requests this and on the presumption that the ill person would have asked for the anointing if he or she were able to do so.

Should someone receive the Anointing of the Sick after death?

Since all the Sacraments of the Church are an encounter between a living person and God, within the Church community, anointing a person who is certainly dead is not possible. The ritual, however, provides official prayers for the dead and the consolation of the living as part of the Church's pastoral care.
